Sample Reading Passage with Questions

1. Banana smoothies first appeared in the 1930s. Since then, they have become very popular across the world. Not only is the banana smoothie delicious, but it has many of the nutrients our bodies need to function.
2. Banana smoothies are made from fresh bananas using an electric blender. The fresh fruit gives it that chunky but creamy look. The ice keeps it cool in the hot summer heat. Bananas have a lot of healthy carbohydrates which makes them a perfect food for athletes and people with active lifestyles. Smoothies help to give energy after a difficult workout.
3. Doctors recommend bananas to patients who have heart problems and high blood pressure, as they lower the risk of stroke and heart attacks. Another good thing about this wonderful fruit is that it protects against depression and keeps you in a good mood.
4. Banana smoothies, when mixed with yogurt and other fruits like apples or mangos, protect you from stomach ulcers and help your digestive system. Bananas are a low-calorie food; there are about 100 calories in a medium sized banana. They make you feel full, so if you eat a banana, you will avoid snacking between meals. This is beneficial because it helps you to reach your weight loss goals. But make sure you don't put sugar in your smoothie. Bananas are sweet enough!

1. What happened in the 1930s? A Banana smoothies were first made. B Banana smoothies became very popular. C Banana smoothies were made all over the world. D Banana smoothies were found to have nutrients.	6. In paragraph 4, what does the word '<u>beneficial</u>' mean? A low-calorie B sweet C helpful D full
2. How many calories does a banana have A 100 calories in a large banana B 100 calories in a small banana C 100 calories in a medium banana D 100 calories in any banana	7. What does the underlined word '<u>it</u>' in paragraph 3 refer to? A wonderful fruit B banana C stroke D blood pressure
3. Which of the following is NOT true of bananas? A They are good for your heart. B They are good for your digestive system. C They can help you lose weight. D They can cause stomach ulcers.	8. What does the underlined word '<u>it</u>' in paragraph 3 refer to? A wonderful fruit B banana C stroke D blood pressure
4. Banana smoothies should NOT be mixed with A apples B sugar C mangoes D yogurt	9. Which of these titles is best for this passage? A Smoothies: An Alternative to Food B How to Prepare Apple Smoothies C Have a Banana Smoothie D 101 Banana Recipes
